Letter No.24072 dated the 8th July 1927, from the Chief Electrical Engineer to the Government of Mysore, to the Secretary to Government, Electrical Department, Bangalore.

CLOTHING TO MENIALS.

Referring to Government Order No.G.7437-8/GM.25-23-38 dated 10th November 1923 sanctioning the supply of light clothing to all the menials attached to my office, I have the honour to state that the Superintendent, Bangalore Power and Lighting, has represented in his No.11564 dated 2nd July 1927 that the peons in his office are often found very badly dressed and that on account of the poor pay that they are getting and the high cost of living, it is not possible to compel them to put neat clothing. The offices of the Superintendent, Bangalore Power and Lighting and Mysore Power and Lighting and the General Electric Inspector, are often frequented by a large number of consumers and others, most of whom are of very high standing, and it is necessary that, in the interest of maintaining the prestige of these offices, the servants, who are attached to these sections, should be clothed, as well as the peons attached of this office.

In the above circumstances I request that sanction of Government may be obtained and communicated for the supply of light ---- clothing to all the peons attached to the several sections of the Electrical Department located in the Cities of Bangalore and Mysore.

The cost will be debited to contingencies of the several --- sections and will be met by reappropriation of the grants sanctioned for the several sections in the current year's budget.
